HELP BOOKLET

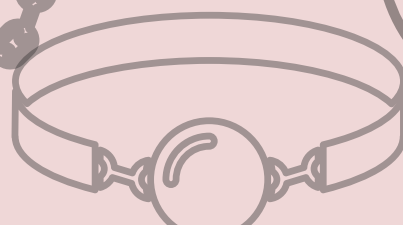

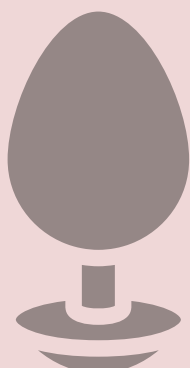

# Kinks, Fetishes & Taboos

## WHAT IS ACCEPTABLE, AND WHAT IS NOT?

The agents within High society Models & Co franchise and it's managers have collectively made this help booklet to advise what is Legal, what is allowed and not allowed on Adultwork and what is allowed and not allowed within our agencies. We have also added some more information on what certain Taboo , kinks and Fetishes are.

We do not, and will not discriminate nor tolerate anyone discriminating against any client OR model who is into legal taboo, fetishes and / or kinks. I will not tolerate clients being shamed, or laughed at in this agency. If you do not want or agree with their kink, fetish or taboo request, simply decline their offer politely and advise them you are not comfortable with that, so they should leave your room and find someone who can accommodate them. Anyone found discriminating against a client or a model, will be removed.

Remember: *We are a very large franchise of webcam modelling agencies. Everyone has different limits, sexual preferences, likes and dislikes.*

*What is a*

# **KINK, FETISH AND TABOO? HOW ARE THEY DIFFERENT?**

Fetish - Is a sexual fixation on a nonliving object or non-genital body part. The object of interest is called the fetish; the person who has a fetish for that object is a fetishist. A sexual fetish may be regarded as a non-pathological aid to sexual excitement.

Kink - the use of non-conventional sexual practices, concepts or fantasies. The term derives from the idea of a "bend" (cf. a "kink") in one's sexual behaviour, to contrast such behaviour with "straight" or "vanilla" sexual mores and proclivities. It is thus a colloquial term for non-normative sexual behaviour.[1] The term "kink" has been claimed by some who practice sexual fetishism as a term or synonym for their practices, indicating a range of sexual and sexualistic practices from playful to sexual objectification and certain paraphilias

Taboo - A taboo is an implicit ban on something (usually against an utterance or behavior) based on a cultural sense that it is excessively repulsive or, perhaps, too sacred for just anyone. Such prohibitions are present in virtually all societies.

So, by definition, a "fetish" is a sexual attraction to a body part, object, or activity, while a "kink" is the use of "nonstandard" sexual practices "While most people use fetish and kink interchangeably, a fetish is something that is tied to sexual gratification whereas kink is a broader term used for anything really outside "vanilla" or normal sex. All fetishes are kinks but not all kinks are fetishes.

Someone who has a fetish for choking, or say feet, need that as part of their sexual interaction in order to achieve gratification, whereas someone who has a kink for spanking does not need spanking to be part of their sexual interaction in order to reach gratification."

# ADULTWORK TERMS OF SERVICE AGREEMENT

We highly recommend you have a good read through ALL of their terms of service to gain a real understanding of what you are allowed and not allowed to do. The below is copy and pasted directly from Adultwork.

"If you breach any part of this agreement or our other policies and agreements, we may revoke your license to access our Websites, block your access, and suspend or cancel your account" This is by Adultwork, NOT our agencies. # Issues surrounding WS (Water Sports)

There has been some confusion surrounding water sports on cam and if we can show this, promote this and or video this!

shown here above is the email I (M) sent to AW asking for a breakdown of what is and is not allowed when it comes to this Kink.

As you can see AW did reply with the answer to your right.

From what we have concluded:

- . You can NOT perform this kink while active online.
- . You CAN video WS but you must NOT name the videos with any references to urine. ONLY USE THE TERM WATER SPORTS.
- . You CAN say in your profile you provide WS (again only using the "professional term"
- . You can discuss in any way shape or form WS when in a paid mode with a client ( DO NOT PERFORM)

WS continued ...

We are very aware at how confusing this might be to you, but your managers and managing directors are always available for you to ask questions to if you get confused.

if you are confronted with this online and are still unsure on what you can and can't do please DO NOT engaged. It's not worth getting your account deactivated just for the sake of one client.
